WhatsApp

Dear Sisters,

We have a request regarding documents and photos being sent to DC IPS. **Please DO NOT use WhatsApp to send documents or links.** While we do have a WhatsApp account, we only use it for circumstances where files (like videos) are too large to send via email. If you need to use WhatsApp to send large files to us, please, let us know in advance so we can provide our number and any necessary assistance.

Thank you for your consideration. Please let us know if you have questions about this or need assistance finding another way to send DC IPS your information.

May God bless you,
Sister Mary Louise, DC
